### CENTRAL UNION TO HOLD EVENING SERVICES AGAIN

Sunday will be an eventful day for Central Union church.  
The Bible school expects its full quota of students and pupils to assemble. The general exercises will be held in the church auditorium and the new class organization will be perfected. Mrs. Doremus Scudder, associate superintendent, will bring a message to the school from the mainland.  
At the morning service Doctor Scudder will preach for the first time since his return from the coast, his subject being "The Man Whom You Cannot Dodge." Philip Hall will sing the offertory solo, "Forever With the Lord," by Gounod.  
The evening service will be resumed on this date and Doctor Scudder will speak on the striking theme, "Is America Losing Her Soul?" His recent trip across the mainland and back gave Doctor Scudder some unusual opportunities for studying the prevalent conditions of the United States both economically and spiritually and this sermon will deal with some interesting trends in current thought and expression.

Worst and Most Expensive Household Nuisance.  
Millions of dollars of property are destroyed yearly by rats simply because people do not appreciate the destructive power of rats and do not know how easy it is to kill them. Simply get a two-ounce box of Stearns Electric Paste from your druggist for 25 cents and use it at night in accordance with the simple directions, and in the morning there should not be a rat in the house. Nothing else is as effective as Stearns Electric Paste in exterminating rats, mice, cockroaches and other vermin. The government uses it in its fight against rats. WOMEN IN GEORGIA MAY PRACTISE LAW  
ATLANTA, Ga.—The Georgia senate has passed a house bill granting to women the right to practice law. The measure now goes to the governor. Similar bills have been defeated for several years.

### BIG EGG MONEY

Big money in eggs is only possible where there is a steady crop of them, coming in season and out.

Special feeding is the only way to guarantee the maximum output. Our mixed foods for this season are extra rich in egg-making elements.

### Mother Love

would never give a child anything that would be harmful. Yet every time a mother gives her child a cup of coffee she is giving it from one to three grains of a drug—caffeine.

Little by little the caffeine in coffee and tea undermines health—much more rapidly in children—none the less surely in many adults.

There's a safe, delicious food-drink—

## POSTUM

It is made of choice wheat roasted with a bit of wholesome molasses and contains the goodness of the grain—no caffeine, no harmful substance whatever. Children may drink it freely—everybody may—with pleasure and perfect comfort.

Postum comes in two forms: The original Postum Cereal, which has to be boiled; Instant Postum, the soluble form, made in the cup with hot water—instantly.

Convenient—economical—satisfying—
